Dear Parents and carers,

Our school was filled with the stuff of awe and wonder, and we are all so proud of the incredible Story Jars that our children have so creatively, thoughtfully, and ingeniously crafted and constructed. Amazing outcomes, one and all!

Moreover, our amazing Cognition Teams have demonstrated their incredible engineering, logic, and problem-solving strategies in a competition against the county's finest, narrowly missing out on the top prize as well being recognised for their brilliant character.

"Alongside their trophies I also wanted to let you know that they were both nominated by 3 other teams for the Team's Team award. This was accompanied by lovely comments from the other teams about how supportive and kind the Bude teams were. I think it was very special to have both teams nominated and speaks very highly of their character. Some truly fabulous students and we were thrilled to have them along today."

Some of our fabulous Stars of the Week
