

Bude Primary Academy

Head of School – Mr James Pritchard

Tuesday 17th December 2024

Dear Parents / Carers,

The autumn term has flown by, we cannot believe that it is almost Christmas. This curriculum letter will give you a brief overview of some of the key information for next half term, including trips and events that are coming up.

Trips, events or visitors

St Nectan's Glen Tintagel - TBC

Reading

It is recommended that children read aloud every day. This is essential as it helps children develop their accuracy, fluency and confidence. It is also a fabulous chance to ask your child about key vocabulary, what they think may happen next or comprehension questions about what they have read and understood. In school, children are encouraged to choose books from the class library at their appropriate level. Books are organised into three categories to help our children carefully select the right book for them – Tasty (accessible texts), Hot (shorter novels, easier to access non-fiction) and Spicy (longer novels, more complex non-fiction texts).

Library books

Thank you for your support with keeping the library and classroom books safe and well cared for. The children love their visits to the library and take real pleasure in choosing their next book!

Home Learning

You can support your child at home by practicing their times tables. Pupils who know their times tables find all areas of maths far easier to approach and understand. Your child can access Numbots or TTRockstars through their Google login at home. Your child can also access Spelling Shed to practise spelling rules being taught in class that week. For further ideas of how to support your child at home, take a look at our [home learning page on our website](#).
