We're looking forward to making the most of this final stretch and ending the year on a high with the children!

Trips, events or visitors

Tuesday 24th June PM - Sea Pool visit Friday 27th June - Sports day Thursday 10th and Friday 11th July — transition days

PSHE

In PSHE this term, our focus is on 'Growing and Changing'. This important unit is a statutory part of the National Curriculum and helps children understand the changes they may experience as they grow, as well as how to make safe and healthy choices. The content is always delivered in an age-appropriate and sensitive way.

This term, the topics we'll be covering include:

- The human life cycle
- Making healthy choices
- Personal hygiene

If you have any questions about the content of this unit or how it is taught, please don't hesitate to get in touch.

Reading

It is recommended that you share a book with your child every day. This is essential as it helps children develop their love for reading. This could be an opportunity for you to discuss what is happening in the book with your child. In school, children are encouraged to choose books from the class library at their appropriate level.

Library books

Thank you for your support with keeping the library and classroom books safe and well cared for. The children love their visits to the library and take real pleasure in choosing their next book! We are aiming to visit the library every **Friday** afternoon.
