Dear Parents,

SATs Stars of the Week

Congratulations Year 6!

A huge well done to our brilliant Year 6 children for completing their SATs this week. We are incredibly proud of the calm, focused, and determined way they approached the tests each day. Their resilience, maturity, and positive attitude—not only during the assessments but throughout the lead-up—have been exceptional. Whatever the results, they have already accomplished so much. **Well done, Year 6—you are true stars!**

Looking Ahead: A Focus on Sustainability

We are excited to be part of a wider Trust community initiative to strengthen our focus on sustainability across the school. This long-term project will be guided by the voices and ideas of our children, helping shape a future-facing vision that values our unique local environment and promotes thoughtful, responsible, and cost-effective choices. Working together with our various teams, we'll be exploring ways to make our school greener, more resource-conscious, and actively engaged in building a better future—starting right here at home.

Drinking Bottles

In support of our sustainability goals, we ask that all children bring a **reusable water bottle** to school each day. Please make sure bottles are **clearly labelled** with your child's name. We encourage children to take responsibility for their belongings, treating them with care and keeping track of them throughout the day. This not only supports hygiene and sustainability but also fosters independence and accountability. Thank you for your continued support.

School Uniform and Lost Property

We will be holding a **lost property collection** in the small playground on **Tuesday 20th May from 3.20pm to 3.45pm**. This is a great opportunity to reclaim any missing items of uniform or belongings that have found their way into lost property over the past few weeks. Please do come and take a look—**any unclaimed items will be made available for families to take**, helping us reduce waste and support sustainability. As always, please ensure all belongings are clearly labelled to help us return them more easily in future.

Stars of the Week

At the end of every week, we celebrate those children who have consistently stood out through their actions, attitudes, and approach to learning. Whether through **creative thinking, thoughtful reflection, acts of empathy, quiet independence, determined resilience**, or an **ever-curious mind**, each of them has brought something special to our school community. They have shown us what it truly means to grow as a learner over time. Their efforts and brilliance are a wonderful example of being **Ready, Respectful, and Safe – Together**. We are so proud of you all!

Bude Lifeboat Run – 11th June

We'd love to see lots of Bude Junior pupils getting involved in the Junior Bude Lifeboat Run on Tuesday 11th June—a fantastic community event in support of our local RNLI. To help the children get ready, Mrs Askham will be running a training club after school on Mondays. You can sign up for the club via ParentPay.
