Friday 6th February 2025

Dear Parents,

Children's Mental Health Awareness Week

To celebrate 'Children's Mental Health Awareness' week, we held a wellbeing afternoon for all of our fantastic pupils. All pupils had the chance to choose from a range of activities including:

- *Rock band session
- *Mindfulness activities
- *Arts & crafts
- *Active challenges
- *Yoga
- *Outdoor activities in our woods
- *Chess challenge
- *Dance session

The children absolutely loved spending time exploring more about themselves linking to the theme this year, 'know yourself, grow yourself.' 😊

Safer Internet Day

On Tuesday, 11th February, we will be celebrating **Safer Internet Day**, focusing on how to protect ourselves and others from online scams. Throughout the day, children will explore the importance of keeping personal information private, understanding how to use technology safely, and knowing where to seek support if they encounter concerns online. They will also learn how some people may behave differently online, including pretending to be someone they are not. As part of the day's activities, pupils will take part in a **live lesson at 11:00**, where they will engage in interactive learning to help develop their awareness and confidence in staying safe online.

Stars of the Week – Our Ways of Learning

Congratulations as ever to our marvelous children who have all shown what it means to be a learner by demonstrating their Creativity, Reflection, Empathy, Independence, Resilience and Curiosity. Your character shines brilliantly among so many stars, embodying our ways of being **Ready, Respectful, and Safe – Together**. Well done!
