

Bude Primary Academy Head of School – Mr James Pritchard

Friday 4th April 2025

Dear Parents/Carers,

We are now entering the final stretch of what has been a fantastic year of learning. This curriculum letter provides a brief overview of key information for the term ahead, including details about trips, events, and key learning focuses. We look forward to another exciting and successful term with the children!

Trips, events or visitors

Every Monday afternoon — Woods sessions Trips in the local area to explore the local flora — dates TBC

Reading

It is recommended that you share a book with your child every day. This is essential as it helps children develop their love for reading. This could be an opportunity for you to discuss what is happening in the book with your child. In school, children are encouraged to choose books from the class library at their appropriate level.

Library books

Thank you for your support with keeping the library and classroom books safe and well cared for. The children love their visits to the library and take real pleasure in choosing their next book!

Home Learning

If appropriate, you can support your child at home by practicing their times tables. Pupils who know their times tables find all areas of maths far easier to approach and understand. Your child can access Numbots or TTRockstars through their Google login at home. For further ideas of how to support your child at home, take a look at our home learning page on our website.

PE days — Wednesday and Friday

Children should continue to come to school in their full PE kit, which comprises of:

- · A turquoise PE T-shirt (optional, with embroidered school logo)
- · Black shorts / leggings or joggers
- Trainers
- · Our turquoise school jumper or cardigan
