## Dear Parents,

What a wonderfully vibrant week it has been, filled with celebrations for both St Piran's Day and World Book Day. From traditional pasty making and baking to lively songs and music, our school has been alive with energy and joy. We proudly marched through the town centre, singing together in celebration, took part in immersive drama workshops inspired by carefully chosen classic stories, enjoyed mystery readers sharing their own childhood favourites, created stunning art pieces, and, most importantly, embraced a deep love of books. A huge well done to everyone for making it such a success—the rich experiences and outcomes for our pupils are a true reflection of the effort and dedication of all involved.

## Stars of the Week – Our Ways of Learning

Congratulations as ever to our marvelous children who have all shown what it means to be a learner by demonstrating their Creativity, Reflection, Empathy, Independence, Resilience and Curiosity. Your character shines brilliantly among so many stars, embodying our ways of being **Ready, Respectful, and Safe – Together**. Well done!

Following a fantastic camp in 2024, we're absolutely thrilled to have pulled together another fully funded (FREE) 5-day Robotics Camp (8-14 yrs) for the Easter Holidays for children in North Cornwall and North Devon.

We're welcoming a team of LEGO Education builders and designers from LEGO® themselves, along with our lovely Cognition Learning team to build alongside your kids for a week!

Spend the week designing, creating and playing with LEGO® games and robots. You will get to work with LEGO® Education designers, make new friends, and become a master builder. No prior experience necessary!

We're taking over Bude Primary Academy - Juniors so that we have space to explore, run around and let our imaginations go. Our lovely catering team will be providing hot, delicious lunches snacks. This is a truly one-off opportunity for children and teenagers in our local area, so please share as widely as you can!

📅 7-11th April

👧👦 8 - 14-year-olds (Year 3 - Year 9)

🛠️ Build alongside LEGO® Education designers, play games, code robots and have fun!

🍱 Lunch and snacks provided each day

IMPORTANT: Due to popular demand and limited availability, to get involved we have a 2-step process:

1) Register your interest for your child here: <https://forms.office.com/e/nAqRRqFbF3>

if you're successful you'll be emailed to confirm your child's place on the camp and you'll be asked to....

2) Fill out the full registration form. Find out more here:
