Dear Parents,

## Improving attendance!

We all understand just how important it is for children to be in school as much as possible, even during challenging times—whether we're feeling under the weather or facing other difficulties. Regular attendance makes a significant difference to everyone's wellbeing, welfare, learning and overall success as a community.

As we approach the end of a long autumn term, it's especially pleasing to share some fantastic news: almost 200 of our children have improved their attendance this week — and 50 of them have even maintained a marvellous 100%!

At the start of the next term, we are excited to celebrate these outstanding achievements, alongside the efforts of all those with attendance over 98%. We will also be presenting certificates to children whose attendance has shown the most improvement.

A huge well done to everyone at every level for working so hard on something so important. Let's keep up the amazing effort to ensure all of our pupils have the opportunity to thrive!

## Stars of the Week – Our Ways of Learning

Congratulations as ever to our marvelous children who have all shown what it means to be a learner by demonstrating their Creativity, Reflection, Empathy, Independence, Resilience and Curiosity. Your character shines brilliantly among so many stars, embodying our ways of being **Ready, Respectful, and Safe – Together**. Well done!
