Dear Parents,

Reading is the key to future success, and it lies at the heart of everything we do at Bude Juniors. Each day, our children encounter a range of opportunities to learn, love, and grow confident in their reading. This includes phonics, spelling, fluency, comprehension, library sessions and thoughtful discussions. Every session and text is carefully planned and intentionally woven into our curriculum. We ensure that we seize every opportunity to read for meaning. One of our most cherished moments is reading our class novels at the end of the day. This half-term's selections - ***Fortunately, the Milk, Llama Out Loud, A Kind of Spark, and The Boy with the Butterfly Mind*** - these offer a wonderful array of beautiful language, imagery and diverse themes that resonate across the school. It's a true joy to hear these stories come to life at the close of each day.

Stars of the Week – Our Ways of Learning

Congratulations as ever to our marvelous children who have all shown what it means to be a learner by demonstrating their Creativity, Reflection, Empathy, Independence, Resilience, and Curiosity. Your character shines brilliantly among so many stars, embodying our ways of being **Ready, Respectful, and Safe – Together**. Well done!

World Mental Health Day

On Thursday, 10th October, to celebrate World Mental Health Day, we are inviting all children to come to school in non-uniform with a touch of yellow (a simple accessory will do if yellow clothing isn't available). In return, we kindly ask for donations to support **Young Minds**. Mental health and well-being are vital, and by wearing a bright, happy colour, we show our support for one another.
