Dear Parents,

## Welcome to the Final Term – Summer 2, Week 1

Welcome back to the final term of the academic year! We're excited to begin these last weeks with energy, purpose, and celebration. Across the school, there is already a buzz of rich and varied learning taking place—from the creativity of our classrooms to the deeper thinking explored through our assemblies, where we've been delving into our value this half term of **democracy** and what it means to be part of a shared community and capture everyone's voice. As always, we are guided by our Ways of Being: **Ready, Respectful, Safe – Together.**

## Stars of the Week

Bravo to those children who shine through their approach to learning—demonstrating **Creativity, Reflection, Empathy, Independence, Resilience**, and **Curiosity**. These learning characteristics enrich our school community and truly embody what it means to be a confident, capable, and thoughtful learner.

## End-of-Year Reflections and Moving On

This term is a time to reflect on all that has been achieved, while also looking ahead—to new classes, new adventures, and the next chapter in every child's journey. Over the coming weeks, children will take part in a range of **end-of-year assessments**, giving us valuable insight into their progress and helping us plan for the year ahead. Families will also receive **end-of-year reports**, celebrating achievements and outlining next steps. These will be sent out **digitally** to ensure easy access and to support our commitment to sustainability.

As part of our transition process, all children will spend time with their new teachers, helping them feel confident and excited about September. For our Year 6 children, this is an especially important time as they prepare to take their next steps into secondary school. We are working closely with local schools to support this transition, ensuring our pupils feel ready, informed, and positive as they move on to their new settings.

## Golden Grater Award – Congratulations, Michele!

We are absolutely delighted to share that **Michele**, who leads our kitchen team, has been awarded the **Golden Grater Award** by Aspens, our school meal provider. This is a fantastic recognition of the **outstanding dedication, care, and skill** Michele brings to her role every day. From creating delicious, nutritious meals to leading her team with enthusiasm and pride, Michele plays a vital role in the life of our school. A huge well done and thank you for everything you do—you thoroughly deserve it!
