Friday 28th March 2025

Dear Parents,

A super week across the school and one more to go before the well-earned Easter break for our children and adults. We have absolutely been battling through the coughs, colds, and bugs but hopefully now it seems that we have come through the worst of it and attendance – which really matters – is picking up again. Well done everyone.

Running with the Rest of the Best

Congratulations to two of our amazing children who competed with over 500 of the best runners from across the County in Newquay. Both of them competed so very, very well. We're looking forward to following their future and encouraging even more children to participate next year. Some of our children are already taking part in the local [Bude Junior Parkrun](https://www.budejuniors.org.uk/bude-junior-parkrun) which takes place every Sunday morning at 9:00am at the Crescent Carpark. And of course we're looking forward to the [Lifeboat Run](https://www.budejuniors.org.uk/lifeboat-run) and seeing as many of our children take part as possible.

What an amazing geography and history field trip to Bodmin Moor, tracing the contour lines to the very top of Rough Tor and beyond! Well done to everyone for making it to the top and making it happen.

Stars of the Week – Our Ways of Learning

Congratulations as ever to our marvelous children who have all shown what it means to be a learner by demonstrating their Creativity, Reflection, Empathy, Independence, Resilience and Curiosity. Your character shines brilliantly among so many stars, embodying our ways of being **Ready, Respectful, and Safe – Together**. Well done!

The Value of a School Meal

Our school dinners offer great nutritional and financial value, with four varied choices available each day, including options for different dietary needs. A new and exciting menu will be launching after Easter! Children entitled to Free School Meals can enjoy a hot, balanced meal every day at no cost—an opportunity we encourage all eligible families to take up, especially with the rising cost of living. Choosing school dinners helps keep children fuelled, focused, and ready to learn.
